

## **2022 South Atlantic Fire Rescue Expo**

### **EXHIBITOR “MOVE-OUT” PROCEDURES**

- 1. SAFRE Security will clear all expo attendees from the expo floor at 2pm on Saturday.** *(Time required approximately 15 minutes)*
  
- 2. Apparatus / Vehicles / Vehicles with Trailers – Will Move Out FIRST** *(Time required approximately 20 minutes)*
  - The loading dock roll up doors will not open until security staff has cleared the expo floor of all expo attendees
  - Please do not start your apparatus / vehicle until you see the roll up doors opening
  - All apparatus / vehicles / vehicles with trailers will exit the venue by turning **RIGHT** onto Lenoir St. and making an immediate **LEFT** onto South Dawson Street toward I-40 / I-440.
  
- 3. Tabletop Exhibitors will move out only AFTER all apparatus has cleared the expo floor.**
  - Please do not attempt to leave on foot through the loading dock doors. This is a safety hazard.
  - You may exit the expo floor via any escalator, stairs or elevator, thus leaving the venue through any normally accessed pedestrian exit.
  - When all the Apparatus / Vehicles / Vehicles with Trailers have exited, Tabletop Exhibitors may drive their vehicles into the loading dock area and onto the Expo Floor

#### **Notes to All Exhibitors:**

- There will be no foot traffic allowed to leave or re-enter through the loading dock exits.
- During the Move Out, the loading dock driveway may be accessed by vehicles only.
- When the expo ends, please listen for announcements on the venue’s sound system. We will remind you of the aforementioned instructions prior to opening the loading dock roll up doors.
- We hope you enjoyed the expo and #WeCantWaitToSeeYou at #SAFRE2023!
